EXPERIENCE

UX Design Intern | Aug 2021 – Present

ThisThat Ltd.

- Collaborate with designers and developers to ensure consistency and cohesiveness across platform
- Create user flows and design wireframes, completed with prototype
- Update onboarding experience, using existing design system

English Language Instructor | Nov 2018 – Nov 2019

Chungdahm Learning

- Taught English language to Korean elementary students, focusing on speaking and writing skills
- Improved students' sentence structures and grammar through one – on – one coaching sessions
- Worked closely with native teachers, reporting students' skills and behaviors with daily evaluations

Research Assistant | Aug 2017 – Nov 2018

Emory University, Nell Hodgson Woodruff School of Nursing

- Assisted with data entry, using databases for statistical analysis with SPSS
- Transcribed participant interview recordings, maintaining accuracy for quantitative and qualitative data
- Reviewed and prepared questionnaires for participants, collecting demographic information

Database Management Assistant | Oct 2015 – May 2017

Emory University, Biology Department

- Created personnel and administration databases, from designing layouts to implementing use of database
- Performed various administrative tasks, including filing and scanning documents
