EXPERIENCE

Associate UX Designer | May 2022 – August 2022

CoStar Group – Homes.com

- Primary designer for homepage, focusing on responsive web, iOS, and Android
- Assisted with managing design system, creating components and updating text styles
- Worked closely with designers and product managers to define product requirements and validate designs

UX Design Intern | Aug 2021 – March 2022

ThisThat Ltd.

- Redesigned onboarding experience and collaborative features for SaaS survey-based marketing platform
- Created mock-ups and clickable prototype, following branding standards
- Collaborated with designers and developers to ensure consistency and cohesiveness across platform

English Language Instructor | Nov 2018 – Nov 2019

Chungdahm Learning

- Taught English language to Korean elementary students, focusing on speaking and writing skills
- Improved students' sentence structures and grammar through one – on – one coaching sessions

Research Assistant | Aug 2017 – Nov 2018

Emory University, Nell Hodgson Woodruff School of Nursing

- Assisted with data entry, using databases for statistical analysis with SPSS
- Transcribed participant interview recordings, maintaining accuracy for quantitative and qualitative data
